MINUTES OF A MEETING PLANNING, HIGHWAYS & LICENSING COMMITTEE
TUESDAY 12th March 2019
LEIGH COMMUNITY CENTRE, 71-73 ELM ROAD, LEIGH-ON-SEA

Present: Cllrs: Jill Healey (Chairman), Keith Evans, Paul Gilson

In Attendance: Cllr Carole Mulroney and Abbie Cottere (Assistant Proper Officer)

The meeting opened at 7.30pm

218. APOLOGIES FOR ABSENCE

Cllrs: John Duprey, Gerry Glover, Patrick Fox, Valerie Morgan and Caroline Parker

219. DECLARATION OF MEMBERS’ INTERESTS

Cllr C Mulroney declared a non-pecuniary interest as a Southend Borough Councillor on the Development Control Committee, although she was in attendance as a non-participating Councillor at the meeting.

All Councillors attending declared a pecuniary interest in Agenda item s) as Councillors of the Town Council which had lodged the application

220. APPROVE MINUTES OF THE PREVIOUS MEETING

The minutes of 26th February 2019 were agreed and signed by the Chairman.

Disappointment was noted of the lack of attendance by Councillors at the Local Plan Workshop meeting but it had been a constructive session over 3 hours and the Council’s response to the Issues and Options consultation stage would be presented to Council 19th March.

221. HADLEIGH ROAD – PROPOSED TRAFFIC CALMING CONSULTATION

The Committee RESOLVED TO OBJECT for the following reasons:

Hadleigh Road is a distributor road and so is not a suitable road for speed bumps. Additionally it would be damaging to the environment as it causes more pollution to accelerate after speed bumps, important to consider for a bus route and distributor road for larger vehicles. There is also the potential for cars to take alternative routes which could push traffic elsewhere through residential streets not designed to be main thoroughfares.

222. LOS/19/0075 SOS/19/00297/FULH (ST CLEMENTS WARD)
11 LEIGH PARK ROAD, LEIGH ON SEA, ESSEX SS9 2DU
Variation of condition 2 (approved plans) to application 96/0365 to amend roof pitch to the west and north elevations, install dormer to the north roof slope, install rooflight to the south roof slope and alter elevation detail to balcony (minor material amendments to planning permission 96/0365 dated 29 November 1996).

The application was discussed by the Committee and RESOLVED TO OBJECT.

Despite all the amendments, the Town Council still objects to the west roof pitch and dormer windows to the north roof as this will substantially alter the street scene in a conservation area and is not in keeping with the character of the existing property. It is therefore contrary to Policy DM1 as does not respect the character of the site, its local context and surroundings in terms of its architectural approach. It will not make a positive contribution to the character of the original building (DM5). It must adhere to conservation guidelines.

223. LOS/19/0076 SOS/19/00284/FULH (THAMES WARD)
135 MARINE PARADE, LEIGH ON SEA, ESSEX SS9 2RF
Extend existing pitched roof with dormers to front and rear, erect front, side and rear extensions and alter elevations to existing building to form 7self-contained flats with balconies/terraces, associated parking, amenity space, refuse/cycle store and install vehicle access onto Thames Drive

The application was discussed by the Committee and RESOLVED TO OBJECT.

The proposed development by reason of its design, height, scale and bulk will still appear as an overly dominant and incongruous addition that is out of keeping with and detrimental to the street scene. It certainly does not respond positively to local character and will not successfully integrate itself in a positive relationship with the surroundings. It is contrary to both Core Strategy and Development Management policies.

The development is also overbearing and is not respectful and subservient. It is therefore also contrary to Policy DM3 but also to Policy DM1 in that it does not protect the amenity of its immediate neighbours having regard to privacy and overlooking.

224. LOS/19/0083 SOS/19/00376/FULH (ELMS WARD)
44B GLENDALE GARDENS, LEIGH ON SEA, ESSEX SS9 2AS
Erect first floor front and side extension, erect dormer to front and alter elevations (Amended Proposal)
The application was discussed by the Committee and **RESOLVED TO OBJECT**.

This proposal is considered backland/infill development, as well as being a complete overdevelopment of the plot. In view of where the property is situated it would harm the character and appearance of the wider area, which is therefore contrary to Policy DM3. It would also result in an unacceptable harm to the residential amenity of the future occupiers.

225. LOS/19/0087  SOS/19/00364/FULM (ST CLEMENTS WARD)
**ST CLEMENTS COURT BROADWAY WEST, LEIGH ON SEA, ESSEX SS9 1QY**
Install gates to entrance

The application was discussed by the Committee and **RESOLVED TO OBJECT**

There were safety concerns with the proposal with regard to traffic waiting for the gates to open in Broadway West, stopping near a pedestrian crossing. There was insufficient information on the plans to make a comment with regard to the design of the gates. There would be an impact on the street scene.

226. LOS/19/0098  SOS/19/00270/FULH (ST. CLEMENT’S WARD)
**8 NORTH STREET, LEIGH ON SEA, ESSEX SS9 1QE**
Demolish existing ground floor rear extension and erect single storey rear extension

Erect single storey rear extension (Amended Proposal)

The application was discussed by the Committee and **RESOLVED NO OBJECTION**
