For Easter this year the events working party discussed the option of an Easter Egg Hunt at the Leigh Library Gardens with additional events taking place in the Community Centre. The Easter Egg Hunt will entail the children having to look for 'clues' in the gardens in regard to the questions on the sheet. Once they have answered all the questions they can go to the exit and collect a cream egg. The events in the community centre will create an even bigger fun day feel!

I have received quotes for a variety of different activities including a Joe Banana party, dancing and singing from Quackers, a Punch & Judy show, a magician to mingle and perform magic as well as face painting.

We also plan to hold an Easter Bonnet Parade competition in the lower hall judged by the Councillors, the prize for this will be an Easter egg. I have also quoted for some Easter decorations to decorate the centre for the event.

I am still looking into some kind of art activity.

The date for this event will be the 19th of April 2025

The Community Centre entertainment will be from 12:00pm – 15:00pm

The Easter Egg Hunt at Leigh Library Gardens will be from 13:00pm – 15:00pm
