ALLOTMENTS

8. BEEHIVE REQUEST - DECISION ITEM

A plot holder on the MDAS site has requested to keep bees. In consultation with MDAS, it was advised that an informal programme of help and guidance was to be followed with a year's experience being gained prior to a decision being made. The plot holder is keen to proceed under this advice but as the relevant training course is expensive, requests confirmation that a hive will be permitted once the relevant qualification and experience has been obtained.

It is **RECOMMENDED** that the Committee agree the request in principal provided MDAS have no objections.

9. BONFIRE DATES

It is **RECOMMENDED** that the Committee authorise only the following bonfire dates for 2017, weather permitting:

22nd & 23rd April 3rd to 5th November

OTHER E & L MATTERS

10. HANGING BASKETS

The E&L Officer wrote to SBC in the summer expressing the Committee's discontent with the standard of the baskets. The Officer concerned has since retired and the new Officer at the Borough Council was spoken to at a recent meeting. The poor standard was recognised and a quote is being obtained by SBC from an alternate source. Additionally the E&L Officer will obtain a quote from a local independent business who has expressed an interest in providing this service.

11. THE GREAT BRITISH SPRING CLEAN - MARCH 3RD-5TH 2017 (Appendix 1)

The Chairman would like the Committee to investigate becoming involved in this campaign with it being led by Councillors.

12. ENVIRONMENT & LEISURE BUDGET 2015/16 – As at 12th December 2016 (Appendix 2)

Paul Beckerson Town Clerk 15th December 2016

Any member who is unable to attend the meeting should send their apologies before the meeting.

The Great British Spring Clean, March 3rd-5th, 2017

Keep Britain Tidy would love to have the support of elected members from across your authority in the first of our national Great British Spring Cleans, which will be taking place across the long weekend of March 3rd - 5th, 2017.

Earlier this year, as part of Clean for The Queen, local authorities across the country helped us to inspire a quarter of a million people to get outdoors and clean up their local neighbourhoods.

Next year, we're aiming higher. We want to get 500,000 people outdoors and active in their communities clearing up litter and we hope our new campaign title inspires many more people to participate.

Once again, litter charities across the country have come together in support of this campaign and we are putting together an impressive group of supporting organisations drawn from the private, public and charity sectors

Naturally, we'd love to have support from you and other elected members in making this event truly spectacular.

Once again a number of resources will shortly be available for you to use and the website www.greatbritishspringclean.org will be launched publicly in early November.

We've also written to your Chief Executive's office, seeking support from the relevant community based teams on the ground. But it'd be great if you could indicate your support for the campaign, as we encourage as many elected members as possible to take part and of course promote the campaign to their own constituents.

If you can indicate your willingness to support the campaign by replying to richard.mcilwain@keepbritaintidy.org, we'll be back in touch shortly with more details.
