

Leigh-on-Sea Town Council

Remote Meeting Policy

2020

1. Introduction

Leigh-on-Sea Town Council recognises the opportunities offered by meeting virtually in times that a physical meeting is not appropriate and has developed this policy to assist Chairmen, councillors and members of the public and press to understand how these meetings differ from a physical meeting and to assist people to engage in debate and decision making. The policy is to be delivered within 'The Local Authorities (Coronavirus) (Flexibility of Local Authority Meetings) (England) Regulations 2020' and that are currently enacted for meeting on and up to 7 May 2021.

2. Publishing the agenda and providing documents

Councillors are to be summonsed as per regulations with the agenda and documents being placed on the Council's website. No agendas will be published on physical noticeboards. Any person unable to access the Council's website must contact the Council and request an electronic copy of the agenda and documents to be forwarded as appropriate. In cases that documents originate from a third-party, electronic links will be provided where available.

3. Virtual Meeting 'platform'

Leigh Town Council will utilise Zoom Pro to provide video communications. Zoom Pro enables video and audio conferencing for persons using mobile devices, desktops, and fixed room systems.

In preparation for the meeting the Clerk to the Council will publish via the summons:

- The meeting link
- Meeting ID
- Meeting passcode

4. Standing Orders

Standing Orders have been amended with an appendix to take into account the current change in legislation to allow for remote meetings of the Council. The Standing Orders and the appendix will be used in the same manner as normal to guide the meeting.

5. Specific Virtual Meeting Arrangements

a. Discussions

This section applies if members are experiencing good connectivity. In the case of poor connectivity see 5c.

During the meeting all persons other than the Chairman will be muted. During the public participation period members of the public will be required to 'enable video' in order for them to be visible to the Chairman and will raise their hand to indicate that they wish to speak. Their microphone will then be unmuted and they can address the meeting. Following the conclusion of their address the microphone will be muted.

During the meeting members and officers will raise their hand to indicate to the Chairman that they wish to speak on an agenda item. The Chairman has the discretion to operate a roll call for Councillor views on individual agenda items as an alternative to this, if more appropriate to the matter under discussion.

All members attending the meeting will monitor their own background noise and mute their own microphones, except when speaking, this is necessary to negate interference with the meeting.

b. Voting

All voting will be undertaken by a show of hands, unless a member is only joining the meeting through an audio link. In those circumstances, the Chairman will ask for each councillor's vote individually.

c. Poor connectivity

In the case of poor connectivity the Chairman will decide whether to continue with the meeting or to reconvene.

In the case of video not being available for some or all of members attending, the Chairman can choose to continue but to operate on a roll call for councillor views on individual agenda items.

d. Attendance

If a member is believed to have 'dropped out' this will be minuted. If 'drop outs' result in the meeting becoming inquorate members will endeavour to rejoin for a period of 15 minutes. After 15 minutes if the meeting is still inquorate the Chairman will suspend the meeting and reconvene at a later time and date subject to the statutory days of notice. Members will be telephoned to advise of the suspension.

e. Telephone attendance

Persons wishing to attend by telephone are advised to contact the Clerk in advance in order that processes can be put in place to enable appropriate engagement.

6. Virtual Meeting Etiquette

Normal Standing Orders apply with regard to Conduct at Meetings and all attendees are expected to be mindful of the difficulties people experience with regard to the operation of technology.

Behaviour that is contrary to the intended outcomes of the meeting will be dealt with at the discretion of the Chairman. For a member of the public or press this may result in them being dismissed from the remote meeting.

7. Declaration of Interests

A councillor that has declared an interest that requires them to leave the meeting will be placed in the waiting room. On conclusion of the item for which the declaration is made the councillor will be returned to the meeting.

8. Public Participation

The Clerk will read any pre-submitted addresses from the press and public.

9. Confidential Matters

Confidential matters will be dealt with through a separate remote meeting that is available to members only. On conclusion of the non-confidential matters on an agenda the meeting will be suspended for members to rejoin using the confidential meeting link that will have been provided to members only.

10. Recording

Meetings may be recorded by the Clerk for the purposes of aiding the Clerk to produce accurate minutes of decisions made.

11. Information

The chat view box on the meeting will be disabled as at a minimum, members have to be heard by all attending.
